Amy (Anus)

You have to know you're my favorite pilgrim!
 Oh ya! I'll always wish you the best of luck,

The Pride Is Back!!
The Pride Is Back!!
The Pride Is Back!!

THE PRIDE IS BACK!!

THE PRIDE IS BACK, BORN IN AMERICA! AGAIN. So goes the commercial with the message that pride is returning to the USA after being gone for some time.

Pride also returned to Marion-Franklin during the year. It was a year that brought many changes to the school and administration. Mr. Norm Kushen took over as principal following the death of Mr. Carter, who dedicated his last 7 years to upgrading the image of Marion-Franklin and its student body and he played a major role in the revitalization of the Red Devil pride and spirit.

RED DEVIL PROUD

What does it take to be Red Devil proud? It takes that extra effort to score a better grade on a test. It takes that extra dedication to become winners like the girl's softball team did

Red Devil proud is grabbing the lead in Grease for the Spring play against tremendous competition for the part
Red Devil pride is our wrestling squad, the finest in the area

Red Devil pride is faculty striving to teach us the things we need to know in life — **and** — our grasping that knowledge and making it work for us For our self esteem, for our own **PRIDE.**

RED DEVIL PRIDE. It means doing the extra things like Brian Gifford did in winning the governor's award for litter prevention. He wrote anti-litter campaigns in the school newspaper, established recycling bins in the school cafeteria, and founded the Recycling Club. Jason Kelley was accepted as a cadet at the U.S. Military Academy the first in Marion Franklin's history.

The yearbook took on new "pride" by selecting Jostens as their printer and bringing back the book name "**EL DI ABLO**." The first time in many years that the book realized its identity.

Pride is just your way of living and feeling about yourself. Don't ever compromise your pride, it's the thing that helps you to walk tall in the world.

GRIDDEERS STRUGGLE

THROUGH 1-8 SEASON

A LESSON IN FRUSTRATION ... this was the experience of the Marion Franklin Red Devil football squad during the 1985-86 grid campaign

The team struggled through a 1-8 season. The season ended on a high note however as the Red Devils downed Independence in the grid finale 6-3

The Red Devils welcomed a new coach, Mr. Carter, from Canton McKinley, and had high hopes of a winning season. Perhaps next year. Hopefully the team gained valuable experience and will bring it to the surface soon

Cross Country

VARSITY CROSS COUNTRY

Determined girls and boys cross-country athletes had an excellent year by finishing 3rd and 8th in the city league. Team members, Marshall Finney, Joyce Clark, and Michelle Synder, were selected on the all city 1st team. Todd Snow was chosen for the 2nd team.

Senior Marshall Finney was named to the All District team and placed 1st out of 140 runners at the Hagen Memorial Race.

RED DEVILS — NO. 1!

RED DEVILS FIGHT WITH PRIDE

An unproductive year in boy's basketball did not dampen the pride and spirit of the 1985-86 team. Constant line-up changes couldn't get the team to "jell". Senior Kelvin Brown led the squad with an 18 points per game average good for third in the city.

He was the only senior on the squad. Other members were Juniors Charles Martin, Calvin Brown, and Richard Smith; Sophomores Jason Johnson, Mike Edwards, Ernie Delaney, and Shawn Berry; Freshman Ricky Haydin.

Coach Hunt complained of the junior programs saying, "For the past couple years we've been seeing the result of taking basketball out of the middle schools. It's a shame for the whole City League."

RED DEVILS BASKETBALL

GIRL'S TENNIS

The 1985-86 edition of Lady Devils tennis proved to be an exciting one. The squad had another winning season with 7 wins and 6 losses. One bright spot was the play of Senior Melissa Stacy who made the City Finals. Team members were Cassandra Nelson, Melissa Stacy, Joyce Gay, Rhonda Davis, Patty Henry, Deri Neff, Patricia Miller, Rena Hatfield, Tina Dorsey, Robin Turner, and Vicki Bennett.

BOY'S TENNIS

This year 14 young men came out for the boys tennis team and did a good job. One in particular, Loren Rivers, was named ALL-CITY and got to the finals. We would like to recognize Mrs. Ethel Baldwin of the Marion-Franklin Rec Center for helping these young people improve their tennis.

A MARION-FRANKLIN MUSICAL

DEE DEE ROBERTS NAMED HOMECOMING QUEEN

Homecoming was not just another game on Friday night, the crowning of the Queen and King, came shortly after the game at the Homecoming dance

The crowd lined up and down the streets awaiting the Homecoming Parade that began at 7.00, the spectators roared as the parade began from Berry Middle School

The football game began shortly after the parade. The two teams were at battle on the field, but Linden McKinnley got the best of us. Even though the game was a disaster, the night wasn't a total loss, as they crowned King Marshall Finney and Queen Dee Dee Roberts for the 1985-1986 school year

Talent Show '86

The Talent Show was a great success. It has been the first time we have had a crowd of people not just from the school but from the community.

The show was also a success for the students. They were able to show their talents and receive feedback from the audience. The show was a great success for the school and the community.

MARION- FRANKLIN MARDI GRAS

About 60 students at Marion Franklin High School traded the three R's for the three F's — food, fun, française — as they celebrated Foreign Language Week in conjunction with Ethnic History Month

Hallways at the school were adorned with handmade banners and other reminders for students to take a foreign language

Foreign Language teachers, Marie Black and Nathan Washington coordinated the events leading up to the fifth Marion-Franklin Mardi Gras. The result was an afternoon of festivities for the students and other staff members

The Mardi Gras celebration at Marion Franklin appropriately coincided this year with the celebrations in New Orleans, the traditional German Fasching and Carnivale in Rio de Janeiro. But, it also coincided with Foreign Language Week at the state and national level

The purpose of the Mardi Gras celebration at school is to highlight the whole Louisiana area where French culture and Language is part of everyday life

The students were asked to dress in costumes in one of the five categories: animation, supernatural, circus, history and adventure. They were also to bring a dish relating to French foods

Students costumes were judged by staff members Jan Ferrel, Dennis Blaney, Kathy Moore, Mary Kozel, and Kathy Ambrose. Ernest Hillman and Tiffany Birden were chosen as King and Queen of the Mardi Gras. Winners of the other five categories were: Hazel Bennett and Daryl Coot, adventure; Michael Dalton and Chris Williams, animation; Michelle Blake and Tiffany Birden and Roger Johnson, circus; Ernest Hillman and Tracy Ritter, historical; and Steve Lee and Jamie Kitchen and Donzaleigh Wright, supernatural

SENIOR PROM A SUCCESS

MARION FRANKLIN'S SENIOR PROM

It is still and will always be a magical word for it creates the same image in everyone's mind: preparation, getting a date, a sparkling and often borrowed car, dainty gowns, tuxedos, a clear spring friday night, a good band, dancing the night away, a late dinner after the prom, arriving home early Saturday morning, and a good group of excited seniors

Prom night is a night for wishfulfillment, a living out of the kind of fantasy that one often reads about but seldom experiences

This year's prom queen and king were Tanya Watson and Anthony Maybry. The prom was held at the Hyatt Regency on Capitol Square

Pride — A Way Of Life

Well, there you have it! The **PRIDE** of being a Red Devil. It doesn't always mean that you will be the best, it just means that you have the self respect to try.

It means that you have your pride. It's yours and nobody can take it from you — unless you let them.

Remember, these are the best years of your life. **GO FOR IT! AND DO IT WITH PRIDE!**

Aling,

To my dear friend
with love and affection
I hope you are
happy and healthy
I am not "there" in the same

We know you forever. We are
glad that we are friends
in grade-school, junior high,
